

Villains & Heroes Academy Presents:

HERO SUMMER CAMP

DEAR PARENTS,

Families today continue to seek ways to invest in their child's learning experience, especially over their summer breaks. At Villains & Heroes Academy, we are offering a new program: Hero Summer Camp. Our summer day camp provides children the opportunity to engage in activities while advancing 21st Century Skills: collaboration, creativity, critical thinking, and problem solving.

At Villains & Heroes Academy, we understand the importance of experiences that help with strategic thinking, social skills, and focus. Our Hero Summer Camp offers a variety of programs where children will engage in board games and team building, with an extended option involving technology, science, art, reading, and more.

Our expert staff encourages our Heroes to learn through questioning and exploration, while creating fun and exciting memories throughout the summer.
